

Chris Verikios

- Hi! My name is Chris Verikios. I have brown eyes and hair. I am 13 years old and I am in the second class of high school. I live in Athens.

- In Greece I like the Greek food, the Greek islands and the sea.

- However I don't like the high temperature in the summer.

Philip Vlachos

- Hi! My name is Philip and I am 13 years old. I like playing basketball and football and I joined a basketball team 7 years ago. I am of average height (1,65m) and have got black hair. I have brown eyes and a little nose. I'm a little bit shy and calm. I have many friends and I like to read Harry Potter and playing computer games.

- I like the Greek souvlaki and the Greek island.

- I don't like the traffic in the Greek cities.

Daphnee Damianidou

- My name is Daphnee and I am 13 years old. I live in Kifissia, a nice area where there are enough trees and plants. My family consists of 4 person: my mother, my father, my twin sister and me. My mother's name is Evi, my father's name is Leonidas and my sister's Margarita.
- I like Greece. I think that it is great to live in a country with such an interesting
- history, such beautiful places and such wonderful sights. The climate is also great. There are also amazing beaches.
- But I don't like the dirty streets witch are full of rubbish. Unfortunately, we don't take care of the environment and this is a crime. I hope we'll stop it some day.

Margarita Damianidou

- Hello! My name is Margarita. I am 13 years old. I like painting and volleyball. I have a twin sister. Her name is Daphnee and she plays the piano.

- The best thing in Greece is visiting the islands.
We have lots of beautiful islands.
- But I don't like traffic.
And we have a lot of traffic here.

About me

- My name is George Dimos , I'm 13 years old and I live in Greece. My house is in Ag. Stefanos, Attika. I've got a brother who is 8 years old and his name is Romanos. As for my parents, my mother's name is Irene and my Father's Fokionas.

My Country (good points)

- The good things in my country are many. First, we always have sun. In summer everybody goes swimming on our perfect beaches. Another thing which I love in Greece is that we have many ancient things e.g. the greatest ancient monument: the **Parthenon**. People in Greece know the meaning of word very well : **Hospitality**.

My country (bad points)

- Now the bad things in Greece. Some times we're egoists. Still we do not respect the environment and we litter our beautiful seas. Finally the thing that I hate in Greece is that we do not look after the monuments of our civilization.

John Kakavoulis

- Hi! My name is John Kakavoulis. I have got black hair and eyes. I am tall and I have got many hobbies. Some of my hobbies are football, computer games, basketball, volleyball and playstation games.

- I like Greece because it is a beautiful country with high mountains and clear beaches. There are monuments and churches. It is a fantastic country for a holiday. People are kind, generous and proud of their history, science and politics.

- However, they are quite lazy and they live in cities which are polluted and noisy. That is what I don't like in Greece.

Nick Katsikis

- My name is Nick Katsikis and I am 13 years old. I live in Athens in a house with my parents and unfortunately with my brother in Thrakomakedones. I am tall, blond with green eyes. I go in Othisi school in Stamata. My teachers give us too much homework so I don't have time to play, but when I have some, I like playing football, playing the guitar and doing skateboarding.

- I like Greece very much, because there are many sights and clubs in Athens.

- I dislike the traffic problem, the air and water pollution.
